Does your meeting have an H&I can?

Help get literature to AA's who are locked up and cannot get to meetings. Bring a can to your regular meeting and take up a collection. The money you collect pays for AA literature handed out on panels. Ask for an H&I LABEL at the "Cans" table at H&I. Your meeting can donate a portion of its 7th Tradition, or members can make personal donations. However you choose to participate, donations are gratefully appreciated. Thank you!

Have you ever wanted to write about a moving experience in sobriety?!

Greetings from the Hospital Side

Hello all,

First I want to take this opportunity to say that I can't thank you enough for all the service work you do at all levels in H&I. You continue to inspire me to emulate your example.

Second I want to thank you for your cooperation in the transition to the new restructure of the hospital panes areas, if you haven't heard from your new area supervisor you will soon, If you are also wondering why we did this, I'll just note a couple of things. We did it to even out the amount of panels in each area thus balancing the work load each area supervisor has and also to establish clear boundary lines between each area. On that note, please pay close attention to the signs at the supervisors tables, they have the facilities in each area listed on them.

Third I want remind you to please send your Post panel reports to your Panel Chair persons or Area Supervisors. If you don't know who your Panel Chair person is, contact your Area Supervisor, if there is no Panel Chair for your panel, maybe you can volunteer to do the job.

Sincerely yours.

Noeh

We need your **HELP!**

The Los Angeles Hospitals & Institutions Committee organizes over 500 panels of AAs each month to carry the message of Alcoholics Anonymous to those confined in hospitals and institutions. It's easy to become a member of H&I! Just come to the monthly H&I meeting, and sign up to speak on a panel. There are many opportunities for service: panel leader, chairperson positions, one time speaker. Six months of continuous sobriety is suggested for hospitals. For correctional facilities, a year or more is required, and, depending on the facility, a background check and/or clearance is also necessary. See Noeh, Director of Hospitals for information on hospital panels, and Greg B., Director of the Correctional side to apply for jail clearance.
